1 CHANTECAILLE LIQUID LUMIÈRE ANTI-AGING ILLUMINATOR

My go-to product for a dewy, youthful glow. Perfect as we approach the summer months for that sun kissed look. I am addicted.

3 CHANTECAILLE FUTURE SKIN FOUNDATION

This is an oil-free foundation which offers great long lasting coverage, but feels very lightweight in texture. I would use this for a special night out.

2 ZO EXFOLIATING POLISH

This scrub smells lovely and fresh and gives my skin a great exfoliation. The magnesium crystals it contains are dimpled (like golf balls) and are therefore not traumatic to the skin. It is great to use in the morning to kick-start the day!

BOBBI BROWN SHIMMER BRICK

A lovely lightweight oil free powder that gives my skin a radiant, healthy glow. Great to use at any time, day or night on the face or body for a bit of extra sparkle!

6 ZO C-BRIGHT VITAMIN C SERUM

This is the most stable form of vitamin C on the market in a water-free formulation to prevent de-activation in the tube. It glides onto the skin and is formulated to penetrate into the epidermis to combat pigmentation, UV damage and restore skin barrier function. It also helps to reduce fine lines and wrinkles – a truly brilliant product.

1 DIOR DIORSHOW MASCARA

My favourite mascara – it is perfect for maximizing my lashes without clogging. It lasts all day and the colour is great.

2 ZO HYDRAFIRM EYE BRIGHTENING REPAIR CREAM

A magic eye cream that actually works! This is my secret to minimising fine lines and wrinkles around my eyes. It contains ingredients that promote collagen growth and skin barrier repair. It's what every girls needs in their beauty bag.

4 ZO OSSENTIAL ADVANCED RADICAL NIGHT REPAIR CREAM

This is the last thing that goes onto my face before lights out. It's a high potency retinol cream which targets the multiple signs of ageing. Another wonder product from the ZO range! I know it will keep protecting my skin against future skin aging and damage. Here's to healthy skin in our 30's, 40's, 50's, 60's onwards.

6 ZO OCLIPSE SMART TONE BROAD SPECTRUM SPF 50

Love! Love! Love! This is the product I can't live without. It is one of the most highly advanced SPF available on the market. Not only does this protect against UVA and UVB rays, it also contains natural fractionated melanin to protect skin against damaging high energy visible (HEV) light too. Science aside, it contains a sheer tinted primer designed to match any skin tone, giving a dewy glow to your face. Perfect for everyday not just holidays.

5 TOCCA STELLA EAU DE PARFUM

The floral scent reminds me of time spent in Rome where I first came across this perfume. I love the vintage-inspired glass bottle decorated with an intricate gold leaf. It looks beautiful on my dressing table.

7 CHARLOTTE TILBURY K.I.S.S.I.N.G STONED ROSE LIPSTICK

I swear by Stone Rose as my daytime lip colour of choice. It is a subtle nude pink which leaves my lips feeling moisturised with a lasting lip colour. It doesn't bleed or dry out lips. I won't leave the house without it in my handbag.

8 ZO INVISAPEEL

My hero product for the days when I'm feeling dull and lack lustre. It's a mild home peel, with no down time. Invisapeel is a lotion mask which promotes exfoliation and helps to renew the top skin layer. It leaves my skin feeling tremendously smoother and brighter after use. Be warned, this is one for your cosy evenings at home, with your feet up, glass of fizz in hand and cream on your face for 2-3 hours. Relax time.

7 DIOR ADDICT LIP GLOSS

This gloss is lovely to use and gives a wonderful shine and depth of colour due to the micro-glass pearls it contains. It lasts for ages and I always have one in my bag.

8 ZO OSSENTIAL LASH ENHANCING SERUM

This serum gives outstanding results. It contains a complex blend of peptides and is formulated to enhance eyelash thickness and length as well as improving brow thickness and quality. It means I never have to have lash extensions!

4 ZO OILACLEANSE

An excellent face wash for normal to oily skin. It contains small beads that give my skin a really thorough clean, helping to prevent breakouts. It removes every scrap of make-up – even waterproof mascara! It comes in a large 240ml tube and lasts for ages.

5 GLO MINERALS SMOKEY EYE KIT

I love this eyeshadow – it glides on really smoothly and gives a great, even, deep colour. It stays put all day as well and is really easy to blend. It is oil free so is better for my skin.
